Dr. Shea Stevens of Smiles by Stevens and the Lancaster Dental Implant Center has spent the past 10 years gaining experience and training in advanced cosmetic and implant reconstructive dentistry so that he can give you that beautiful smile that you've always wanted.

Dr. Stevens is a Fellow of the International Congress of Oral Implantology, member of The American College of Implantology, and has trained at the world renowned Misch Implant Institute. He has trained with the top recognized implant surgeons to expand the surgical treatment options at Smiles by Stevens. He has been awarded with TOP DENTIST IN PA, TOP DENTIST IN LANCASTER, and WHO'S WHO FOR DENTAL EXCELLENCE.

### All phases of Dental Implant Treatment Under One Roof

Dr. Shea Stevens is one of the few dentists in Lancaster, Pa., who perform both the surgical placement and reconstructive phases of implants (placing the teeth themselves). Thus, you do not have to see two or more doctors in two different places to get your implant dentistry done. His commitment

to "doing it right" and the ability to "handle just about anything" has won him the admiration of patients and other doctors.

Dr. Stevens is trained in a new and revolutionary approach to implant dentistry, one that often allows a patient to have dental implants and be restored with non-removable teeth when being told by other dentists that the only treatment option is a denture. This is amazing news for those who suffer with uncomfortable dentures and partials or missing teeth.

Smiles by Stevens and the Lancaster Dental Implant Center offers full-scope General Dental and Reconstructive Services, with emphasis in Aesthetics, Implant and Rehabilitation with state-of-the-art anxiety and pain control methods.

Dr. Shea Stevens performs the following:

- white fillings
- tooth whitening
- smile makeovers
- botox (wrinkles and TMJ pain) and Juvederm (skin filler and lip enhancement)
- all porcelain crowns and bridges (no more dark gray lines)

- root canals
- oral surgery
- all hygiene procedures with quality hygienists (over 60 years combined experience)
- gum treatment (grafts, periodontal surgery)
- pediatric (children)
- all phases of Implant Dentistry (sinus lifts, bone grafts, implant placement/restoration)

**Call Smiles by Stevens today for a comprehensive examination and implant consultation!**
